- **Risk-free:** 100% money back guarantee from the State of Florida

When you enroll in a Florida 529 Prepaid Plan by April 30, 2022, you'll earn \$125 for each year of college or university purchased!

## Benefits of a Prepaid Plan

- **Risk-free** – Guaranteed by the State of Florida, so you can never lose your investment.
- **Flexible** – Use the value of your Prepaid Plan nationwide. While Prepaid Plans were designed for Florida schools, the value we pay to other schools (out-of-state, private, trade, etc.) is the same as what we will pay to a Florida school when your child attends college.
- **Scholarships** – if your child receives a scholarship, you can get a refund for the same amount as the plan would pay a public college or university in Florida.
- **10 Years** – Prepaid Plans lock in coverage for a full 10 years AFTER your child's projected high school graduation.
- **Transfer/Cancel** – Cancel anytime for a full refund or transfer to another family member.

### What does risk-free really mean?

If the actual cost of tuition and fees is less than your total Prepaid Plan cost, Florida Prepaid refunds the difference. If the actual cost of tuition and fees is higher than your total Prepaid Plan cost, Florida Prepaid covers the difference – guaranteed!
