## Inspiration

### YOU ARE NEEDED.

and, your presence is essential. you are needed—your passion, your heart, your mind, your creativity, your compassion, and your empathy.

so, don't sit on the sidelines—questioning your place.

you belong, here.

you are strong. you are here on purpose, for a purpose.

so, do your best. lean into wisdom. take with you wise counsel. and, take action — whenever and however you can. that's all that is required of you.

then, trust the Goodness of Life to bring the victory.

there's a change coming, and, even in the messy — your presence matters.
